Clinical Psychology Associates of North Central Florida Receives 2013 Best of Ocala Award

Ocala Award Program Honors the Achievement

OCALA August 5, 2013 -- For the second consecutive year, Clinical Psychology Associates of North Central Florida has been selected for the 2013 Best of Ocala Award in the Mental Health Clinics category by the Ocala Award Program.

Each year, the Ocala Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Ocala area a great place to live, work and play.

Nationwide, only 1 in 70 (1.4%) 2013 Award recipients qualified as Two-Time Award Winners. Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Ocala Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Ocala Award Program and data provided by third parties.
